#### Well, this is different!

These last several weeks have certainly been disruptive to us all, but they have been particularly unsettling for students everywhere around the world. Those of us who spend our days in schools thrive on a schedule, routines, and — *especially here at Villa* — celebrations and traditions. Our worlds have been turned upside down, and we've proven just how flexible we can be. It turns out that our Villa community can be pretty resourceful and nimble, and we were able to keep the ball rolling in the face of significant adversity.

The separation from our girls, faculty and staff has made it clear just how incredibly special our school and community is for me, for each other, for our families, and for our community. Villa is a spirit, a love, and a way of life that lasts even when we are apart — and it will make our ultimate reunion that much more special and exciting.

I think we all have learned the meaning of "hope" a bit more during this stay-at-home order. I hope we are reunited soon. I hope we can celebrate and laugh and cry and learn together soon. And I hope our Seniors get the Villa send-off they so desperately deserve.

With hope, we look to the future, and it is easy to see great things for our school. The most wonderful and talented students will soon grace the hallways once again, and the laughter and excitement of our dedicated faculty will be heard in person. *I can't wait!* 

With your financial support, events like Villa's Annual Spring Auction generate the resources to fuel the engine of our institution. Our courses, programs and facilities will continue to improve and thrive because of you. I hope I have the chance to say hello and **THANK YOU** in person very soon! I know we are all very grateful. The joy we experience each and every day living out the wonderful Mission passed on to us by the Sisters of Saint Casimir is thriving, even though we are apart. Thank you for helping us to always be:

#### Always more, always better, always with love,

Love and prayers,

Thomas A. Kardil.

# THANK YOU THANK YOU THANK YOU

As you may know, **tuition** is the largest source of income at Villa Joseph Marie, as it is in the majority of schools. That tuition, however, covers only about 85% of what it costs to educate a young woman at Villa. The remaining 15% is raised through Villa's **Annual Spring Auction** and the generosity of donors to our **Annual Fund**. Our Jems depend on the success of this Auction to ensure that the best possible education is available to them at an affordable price.

Your active participation in the Annual Spring Auction and the Annual Fund reflects your commitment to ensuring the availability of the highest level of secondary education for area young women. Thank you for your continued support of Villa and our Jems through your support of this event. Every day, you inspire us to embrace the words of our Foundress, the Venerable Mother Maria Kaupas...

# ALWAYS MORE, ALWAYS BETTER, ALWAYS WITH LOVE!

#### Patrons

Along with the rest of the world, the Villa community has struggled with the effects of COVID-19. The loss of our physical connection to family and friends has been one of the greatest impacts on our lives. This year, our Patrons have generously supported Villa by donating the cost of their Saturday, March 28, 2020 Annual Spring Auction event admission tickets to the Annual Fund. With their support, an additional \$5,190 has been donated for financial aid in support of those students whose families have been directly affected by this crisis.

From all of us at Villa Joseph Marie, we thank you!

Villa Joseph Marie will comply with applicable laws, but the donor must be aware of the rules and follow them closely.

2. Charitable deduction for the purchase of items is limited to the amount, if any, by which payment exceeds the fair market value of that item. This is true even if the item was donated to Villa Joseph Marie for the Auction.

3. Your receipt includes a good-faith estimate of the value of the item offered. We have done our best to make a good-faith estimate of the value of each item in the Auction, however, we are not professional appraisers and are not responsible for the accuracy of such valuations.

4. If your winning bid is more than \$250, you will require a receipt to substantiate any deduction you are otherwise entitled to claim. You will be provided a receipt listing all items and the fair market value for those items. Please remember to retain your receipt for income tax purposes. The IRS may disallow deductions for which you cannot produce a receipt when asked to do so.

5. As a donor of an Auction item, you must retain your copy of the Auction contract and/or acknowledgement in order to claim a tax deduction.
