

THE PULSERA PROJECT

April 5, 2019

To our good friends at Villa Joseph Marie High School,

We'd like to express our sincere appreciation for your school's continued support in 2019, and for once again doing such an amazing job of sharing the Pulsera Project with your community! It has been such a pleasure working with you guys again, and we are immensely grateful for the hard work & positive energy that you have continued to put into your partnership with our organization. We hope you enjoyed your second pulsera sale!

I just looked through our records, and you have now raised almost \$3,000 in total for the people, programs, and communities we work with in Central America. That amount is truly a fortune in the communities where we work, and to raise that over the course of just two pulsera sales is absolutely amazing.

Those funds have had—and will continue to have—a profound impact on countless lives there....sustaining fair-trade employment for nearly 200 artists in Nicaragua & Guatemala, and providing funds for university scholarships, secondary education programs, emergency services for those impacted by the ongoing crisis in Nicaragua, women's empowerment initiatives, artisan health care, environmental programs, and many other community projects that impact & positively change the lives of hundreds of people in Central America.

Thank you again for your generous support this year, and please make sure to extend an enormous "thank you" to everyone in your school community who was involved with this year's effort. We're wishing you all a wonderful rest of the school year, and we can't wait for the next chance we have to work together!

Colorfully,

Jillian Bonner
