

Our Passion for Food

At Heathland Hospitality Group, we're all about the food. Our philosophy and culture are focused on creating food that is alive with flavor and nutrition and doing so in a socially responsible manner. We purchase local and seasonal products – food in its simplest, most natural form, then cook it from scratch using fresh, authentic ingredients. Our freezers are small, but our intention to serve great food is big.

We care about our guests. We care about what they like and we care about their health. Fresh ingredients used in our kitchens are complemented with cooking techniques that preserve nutrients and produce healthy dishes. We thrive on diversity and craft our international offerings using “hands on” research with real people in real kitchens so flavors are real and authentic.

We have a sincere passion for great food at all employee levels. From the part-time student worker, to the experienced grill person, to our managers, to corporate support staff, to our executives, great food matched with great service and high standards is our daily focus.

Our Commitment

With a harmonious balance between the quality of service and the added value offered by Heathland Hospitality Group, we will provide Villa Joseph Marie High School with an artistic mix of offerings, techniques and graphic presentations which blend with our international culinary theme and experienced service team to create an exclusive restaurant-style approach to dining in your establishment.

Success requires a constant vigilance focused on leading our chefs and guests to new heights. Through our dynamic concept we will passionately shape your environment with exciting world flavors based on a strong local food presence.

Menu offerings are presented in an exciting retail format that focuses on vegetable and legume-centered hot foods, sandwiches and salads, made-from-scratch soups, fresh-baked breakfast pastries, ripe, seasonal fruit, breakfast sandwiches, appealing snack items, diverse beverages, gourmet Café Excellence coffees and teas, as well as convenience offerings.
